Guarantee Issue

Current Employees: If you and your eligible dependents enroll on or before 11/11/2016, you may apply for Life insurance coverage up to \$200,000 for yourself and coverage up to \$25,000 for your spouse. Any Life insurance coverage over the Guarantee Issue amount(s) will be subject to evidence of insurability. If you and your eligible dependents do not enroll on or before 11/11/2016, you can apply for coverage only during an annual enrollment period and will be required to furnish evidence of insurability for the entire amount of Life insurance coverage.

If you and your eligible dependents enroll on or before 11/11/2016, and later wish to increase your Life insurance coverage, you may increase your coverage with evidence of insurability at anytime during the year. However, you may wait until the next annual enrollment and only coverage over the Guarantee Issue amount(s) will be subject to evidence of insurability.

Delayed Effective Date of Coverage

Employee: Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Dependent: Insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Exception: infants are insured from live birth.

“Totally disabled” means that, as a result of an injury, a sickness or a disorder, your dependent is confined in a hospital or similar institution; is unable to perform two or more activities of daily living (ADLs) because of a physical or mental incapacity resulting from an injury or a sickness; is cognitively impaired; or has a life threatening condition.

Insurance Age

Your rate is based on your insurance age. To calculate your insurance age, subtract your year of birth from the year your coverage becomes effective.
